

Memorandum

CITY OF DALLAS

DATE October 23, 2009

TO Honorable Mayor and Members of the City Council

SUBJECT **OneDAY Dallas** Implementation for March 2010

The citywide implementation of the **OneDAY Dallas** garbage and recycling collection service goes into effect in March 2010 for the remaining 180,000 households not already on it. Because the transition to weekly garbage and recycling collection impacts such a large percentage of our customers (75% of them), the city is initiating a community outreach campaign in advance of the transition. Critical to this outreach is a series of community-based meetings beginning in January 2010, two months prior to the service change.

The proposed **OneDAY Dallas** community meetings schedule is attached for your information and review. The schedule was designed to allow affected residents maximum opportunity and easy access to meetings near their homes or places of work, and includes Saturday meeting dates for those who prefer them. There are also meetings designed for those residents (approximately 6,000 households) for whom the point of collection changes from alley to the street curb. If you have recommendations for adding to or altering the community meetings schedule as attached, please contact Mary Nix, Director of Sanitation Services by November 13. You can reach her at mary.nix@dallascityhall.com or 214-670-3555.

You are scheduled to be briefed on the entire implementation plan for **OneDAY Dallas** on Wednesday, November 18. Please let me know if you need additional information.

First Assistant City Manager
